---

**Purpose of Amendment:** This amendment updates RFA-SAR-002 in the following ways:

1. **Section III – Eligibility Information.** DAI has revised the language describing eligible entities under RFA-SAR-002.

**Remove:**

- ~~Applicants can include financial institutions, investors, businesses, business service organizations, industry/sector organizations, trade or other private sector associations.~~

**Replace with:**

- Applicants must be for-profit, private sector entities including commercial entities, financial institutions, investors, business service providers, or other private sector associations. Applicants may partner with (or include costs for) non-commercial resource partners or entities which will provide training or technical assistance, but these entities cannot apply directly.
